6. Reiterates its requests to the Secretary-General in paragraphs 7, 8 and 9 of its resolution 50/221 B, in preparing his annual proposals for the support account, and taking into consideration the temporary nature of the current level of resources, to review and substantiate comprehensively the entire post and non-post requirements for the support account; in preparing his report on the support account for the period from 1 July 1998 to 30 June 1999, to submit a comprehensive proposal on the total requirement for human resources from all sources of funding for the backstopping of peacekeeping operations, including posts financed from the regular budget and trust funds, officers on loan from Member States and other voluntary contributions during the period, to enable the General Assembly to decide on the level of human resources required; and to submit proposals that reflect as closely as possible the overall evolution of peacekeeping budgets and any additional relevant observations and recommendations regarding the lessons learned from the previous year of operation of the support account;

10. Requests the Secretary-General, in his report on the support account for the period from 1 July 1998 to 30 June 1999, to submit a performance report, including information on redeployments, if any, between units, covering the period from 1 July 1996 to 30 June 1997 and the period from 1 July to 31 December 1997;
